

META: Press Kit

Synopsis

An inner self-portrait of life streams within a health institution linking an innovating therapeutic approach together with a new social insertion opportunity.

Director's Bio

Miguel Trevisan

Born on March 12, 1987 in Porto, Portugal.

He studied audiovisual communication and currently works mainly as a freelancer on video and photography.

Along with André Baeta, he created a Film Production Studio named Odd Birds and wrote, produced and directed their first documentary film "META" in 2016.

They're currently filming Fôjo, their next documentary.

André Baeta

Born in 1983, in Coimbra, Portugal.

After studying Arts & Cinema at the University of Arts, in Porto, Portugal, he started working in the music industry directing his first music videos for Portuguese and International bands such as EAK, Goldenpyre and Scott Kelly.

In 2016, along with Miguel Trevisan he created his first Film Production Studio, Odd Birds and directed their first short documentary "META".
